Chapter 88

Translator - Doge

Cleaner - Yumchi

Typesetter/QC - Hyakki

We, humans,

are life forms that bear the closest
resemblance to Dragons, and are
considered the greatest on this planet.

We are strong and wise,
with authority to rule
over other life forms.

...That's what we believed.

However, when humans
emerged, Dragons left
this planet, one by one.

Our strength...

is but a fragment of the dragon pearl
that was borrowed from Dragons.

ONE MANTLE

As time passed,

There were
offspring who could
not take a human form.

They'd forgotten
how to speak.

They'd forgotten
how to think,

and started to
die altogether.

Must we live in the shadows
of our former glory...

and die along with
passing time?

Some guys

My brothers

What are these things?

They keep rolling their
eyes around mindlessly.

It's like they're
squirming out
of instinct.

These disgusting things are 「Imagi」,
the same beings as me?

The thing that defies the laws of gravity

and flows like pitch-black blood

My 'brother'.

BANG!

EVEN IF THEY
ARE DEAD, I'VE NEVER
HEARD OF A CASE WHERE A
LYN RUTHLESSLY KILLS HER
OWN SIBLINGS!

There's only one
adult still alive...

HOW CAN SHE
BE SO CRUEL?

EVEN IF SHE IS A
KIRIN, WE MUST PUNISH
AND REFORM HER!

WE NEED TO
FIX HER!

BLOCK OFF ALL HER SENSES!

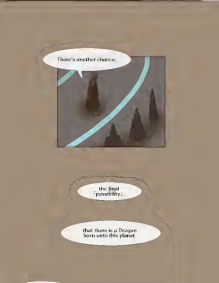

LET US MAKE IT SO THAT
SHE CANNOT THINK!!

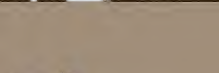

SECLUDE HER FOR ETERNITY!!

Little returns their natural
instinct and strength, but

so they are easily deceived.

I am aware that

there is considerable "army"
of some sort.

Why did you do it?

Dragons...

in order to
come to this planet,
choose "humans"

as the rightful
rulers.

The reason why
we are able to take
on this form

is because
the magic and
spirit, unlike
other species,

Those were
not magic. I cannot
acknowledge them.

What a
disastrous
thought. I'll have to
follow the others
orders...

It was necessary to tell her

...but after
I saw Magic
I stopped.

Because then
I know I wasn't alone.

That
was enough
for me.

You were
afraid of being left
alone... right?

That's why
you were afraid
of the sales, who

and thoughts.

Those who are
born with power are
obliged to protect those
who are born weak.

She doesn't want
to admit it, huh.

THE ONLY SIBLING
I HAVE IS MIGHT!

I will give you
one chance!

Prove yourself!

If you are truly
a Kishi, then show
me what you can do
other than killing
your brethren.

This child...

may be able
to become a true
Kishi for us.

...Because you've shown
exceptionary behaviour in
completing your duties.

I bestow upon you
the name "Karin".

I hope you
will always carry
the dignity of Onigiri
